Unfinished Business:

The commissioners voiced again they would like the fence extended along the road, but realize it needs to wait until we are situated more financially.

It was discussed it would be nice to have a bigger sign with regulations posted at the gazebo area. This could possibly be a Boy Scout project. Paula will contact a local troop.

New Business:

Ken was attending the recent water district meeting and Commissioner Linnie was in attendance, Ken commented on how well she looked and sounded. Our thoughts are with her and we are encouraging her to take care of her health first and not do too much.

Moved to adjourn by Ken and seconded by Gladys.
